DRUG TEST - 5 Panel and 10 Panel

Drug testing can help reduce liabilities and provide a safer work place for customers and co-workers. Whether it is hiring, promoting, or conducting random drug test, the ordering process has never been easier.

- Simply log in
- Click the Drug Test Package
- Enter the applicants Name, SSN, Date of Birth, and Email

- Upon ordering applicant is emailed a list of the nearest locations and a time frame in which to conduct the drug test
- Employer/Requestor is notified as soon as results are verified and ready.
